Precious Metals Insights,
Facts, and Resources

**GOLD: A Journey With Idris Elba**

**Join Idris Elba to discover the human story of gold – how it has shaped us, and our world.**

The World Gold Council recently released a new documentary: GOLD: A Journey with Idris Elba. The World Gold Council describes the film: “Immersed in adventure, Idris Elba (Luther, Beasts of No Nation, Hijack) explores the mysteries, stories, and untold human relationship with our most precious metal: gold. As his journey unfolds, we're taken around the globe as he conquers his claustrophobia down Canadian mine shafts, explores his heritage in Ghana and delves into the journey to responsible mining in South Africa.”
